

Smiling is infectious;  
you catch it like the flu.  
When someone smiled at me today,  
I started smiling too.  
I passed around a corner, and  
someone saw my grin.  
When he smiled, I realized I had  
passed it on to him.  
I thought about that smile, and then I  
realized its worth.  
A single smile, just like mine, could  
travel around the earth.  
So if you feel a smile begin,  
don't leave it undetected.  
Let's start an epidemic quick  
and get the world infected.
